Dear Parishioners,

It is with an incredible amount of gratitude that I am excited and proud to announce that St. Isidore Center for Youth Catechesis – commonly known as The Link is now open. Over 400 teens have already made use of The Link this past week. My heartfelt gratitude goes out to the almost 300 donors who are supporting the financial needs of The Link, the dozens of people who donated time and talent during the construction phase and those who are serving on a continuing basis as Catechists and Facilitators for the Jr. High, Confirmation, and Senior High Connection Groups. Without all of them, this dream would never have become a reality.

I extend an invitation to all of you to join us in celebrating this great accomplishment during our Open House, Procession and Dedication/Blessing Ceremony on November 15<sup>th</sup>. Please come and see how we are connecting our teens to God and their Faith and linking them more closely to the Parish Community of St. Isidore.

See you there!

*Fr. Jerry*
