

MILK ORDER 2011-2012
1ST - 8TH GRADE

Welcome Back!

It is time to get ready for the new school year. We are putting together the milk orders for the upcoming year. Milk will begin on September, 6 2011.

St. Isidore participates in the Illinois State Board of Education Special Milk Program for students. Under this program the cost of milk is partially subsidized. The milk price for this year will again be \$40.00. You may pay the entire fee now or \$20.00 now and \$20.00 at the beginning of the second semester.

Please fill out one form per child and whether your child would like white or chocolate milk. The children may change their selection by request on a monthly basis.

Please return this form with payment by Friday, August 26, 2011. All checks should be made payable to St. Isidore School.

You may write one check per family but do not include any other payments with your milk order.

Thank you
