Alexian Brothers Parish Services carries out the healing mission of the Catholic Church as an Alexian Brothers ministry by identifying and developing effective responses to the health needs of those we are called to serve.

Turning Parenting From a “Race to Nowhere” to a “Race to Somewhere”

As parents we want to challenge our children to be high achievers and prepare them for “the real world”. How do we do that without pressuring our children so much that we cause them to be stressed and anxious? Join other parents to share ideas on how to find this balance in our culture of high expectations.

This discussion is a follow up to viewing “Race To Nowhere”, but people who have not viewed the documentary are welcome to attend.
