<b>114</b>	<b>HERE WE GO FOR MIMIOS</b>	<b>Unlimited</b>
------------	------------------------------	------------------

New to our auction this year is the opportunity to make a direct contribution to a specific cause for St. Isidore. Raise your book/bid for an investment in technology and the education of current and future students at St. Isidore.

Our endeavor this is year is for the purchase of MIMIO set. We all know that interactive teaching energizes and captivates students like nothing else can. The MIMIO is a compact wireless unit that can turn any 6 x 8 ft whiteboard in an interactive whiteboard similar to a SMART board. All it takes is a Mimio unit, Mimio stylus, a computer and projector and the teacher is on her way! Anyone can use the stylus and the Mimio unit folds in half to allow easy transporting from one classroom to another. This easily replaces the overhead projector and never runs out of wet or dry erase markers as the "ink" is part of the virtual system. It sets up in minutes and will bring the world into the classroom.

So, here's your chance to make a donation to technology and help bring MIMIO to St. Isidore. We will offer investment opportunities at \$500, \$250, \$100 and \$50. Raise your books high!!!
