

It's time for us to help.

Last year at about this time, the St. Isidore School Families collected almost \$500 for the P.A.D.S. Ministry. We have been asked again to give generously for those who are less fortunate. The money that was contributed last year was used to supply dinner for one evening and also breakfast and lunch for the next day. Please give what you can to help. The day that our donated meal will be served is May 17th.

Send all donations to the school office marked P.A.D.S. by **April 30th**.

Thank you for helping those in need.
